SUCCESS STORIES

"Tallo allowed me to find several scholarships that I have applied for!"

McKenzie Myers

Clemson University Student

"Thank you for allowing me to participate in this once in a lifetime opportunity. I sincerely appreciate the interest and potential that you found in me. The STEM Signing Day experience has changed my perspective of myself and my outlook on life. I love the Tallo organization and all that it has to offer. I would do anything to further promote this program."

Tre'zjon Bell

West Ashley High School Graduate
STEM Signing Day participant

"Through the Tallo program I was able to find a small school with excellent science programs. At SWU, I am able to learn about all of the biological details I love while integrating faith into my education!"

Aradaryn Singleton

Southern Wesleyan University

"I have found the college I want to go to through this site. I have explored my opportunities and learned from Tallo."

Kiara Mercer

Westwood High School Alumnus
