THIS IS TALLO

Tallo is a free online platform and app that lets students showcase themselves and get discovered by colleges and companies everywhere.

Lake Elsinore, CA / USA
🔗 **Trident Technical College**
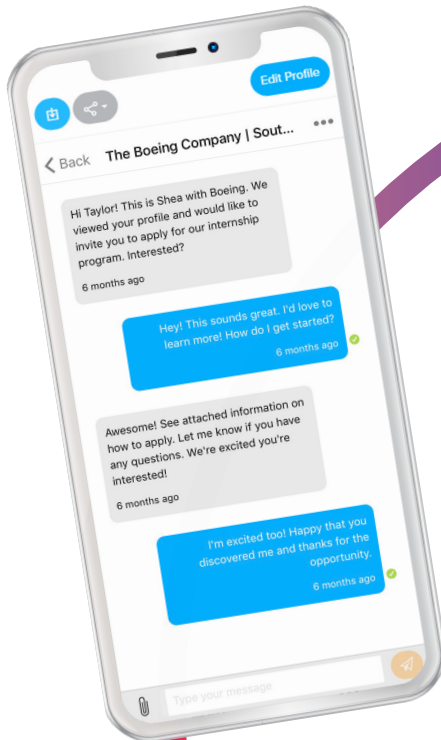

HOW DOES IT WORK?

Students sign up and receive a student profile that they are able to fill out with their own specifics, such as:

- Activities
- Extracurriculars
- Work experience
- Test scores
- Accomplishments
- School courses

WHY SHOULD THEY JOIN?

Colleges and companies are also on Tallo! They want to hire and recruit students for opportunities such as:

- Jobs
- Apprenticeships
- College programs
- Scholarships

PennState

Cummins

CLEMSON UNIVERSITY

Walmart

Oregon TECH
Oregon Institute of Technology

BOEING

THE CONNECTION PIECE

Colleges and companies search through student profiles and direct message students. Why direct message?

- Preferred communication style for Gen Z
- Goes straight to student's phone
- Safe and monitored through platform
- Encourages student engagement

Hi Taylor! This is Shea with Boeing. We viewed your profile and would like to invite you to apply for our internship program. Interested?
6 months ago

Hey! This sounds great. I'd love to learn more! How do I get started?
6 months ago

Awesome! See attached information on how to apply. Let me know if you have any questions. We're excited you're interested!
6 months ago

I'm excited too! Happy that you discovered me and thanks for the opportunity.
