

1501 Belle Isle Ave.  
Mount Pleasant, SC 29406

Hello Educator!

We are pleased to inform you that one (or more) of your students have been invited to attend Career Countdown, an upcoming event hosted by Lockheed Martin and Tallo.

Career Countdown is a free virtual event where students will get a front-row seat to connect with professionals at Lockheed Martin and learn about STEM-related careers and the company's mission. When students register, they will be entered for an opportunity to ask a Lockheed Martin engineer or high school intern a question about their careers. This event is about career exploration and discovery, and it's our hope that each student will walk away from the day more prepared (and excited!) for their future career.

**When:** Tuesday, September 22 @ 10:00 AM -- 11:30 AM PST (1:00 PM -- 2:30 PM EST)

**Where:** This is a virtual event, hosted on Zoom Webinars.

**How:** Any high school student who wishes to attend can learn more and register by visiting <https://tallo.com/lockheed-martin-career-countdown/>

Please accept this letter as a respectful request for your student(s) to attend the event Tuesday, September 22 @ 10:00 AM -- 11:30 AM PST (1:00 PM -- 2:30 PM EST).

If you would like to tune in as an educator, please register directly [HERE](#), and please feel free to share this opportunity with any of your students. All current high school students are encouraged to attend.

For general questions about 2020 Career Countdown or to learn how to show the event live to your class please email [teach@tallo.com](mailto:teach@tallo.com)

Warm regards,

Emily Todd  
*Education Coordinator at Tallo*
