

Hello Educator!

We are pleased to inform you that one (or more) of your students have been invited to attend E-Week, an upcoming virtual event hosted by Lockheed Martin and Tallo. E-Week is a free virtual event where students will hear from some of the leading voices in STEM at Lockheed Martin. Students will have the chance to listen to scientists and engineers who are working on today's most cutting-edge technology and leading our world into the future.

When students register, they will have the opportunity to submit questions and potentially get them answered by our STEM professionals as you learn about what it takes to make an impact.

When: Tuesday, February 23 @ 10:00 AM -- 11:30 AM PST (1:00 PM -- 2:30 PM EST)

Where: This is a virtual event, hosted on Zoom Webinars.

How: Any high school student who wishes to attend can learn more and register by visiting tallo.com/lockheed-martin-engineering-week

Please accept this letter as a respectful request for your student(s) to attend the event Tuesday, February 23 @ 10:00 AM -- 11:30 AM PST (1:00 PM -- 2:30 PM EST). If you would like to tune in as an educator, please register directly [HERE](#), and please feel free to share this opportunity with any of your students. All current high school students are encouraged to attend.

For general questions about 2021 E-Week or to learn how to show the event live to your class please email teach@tallo.com

Warm regards,

Emily Todd
Education Coordinator at Tallo
