

SC DAYS

CAREER EXPLORATION

EXPLORING IT AND CYBERSECURITY FOR THE UPSTATE

EVENT SCHEDULE

9:00-9:15 am EST

Launch Session

Featuring Spartanburg Community College

9:15-10:00 am EST

BMW

Learn about Artificial Intelligence today! We will focus on autonomous driving and manufacturing applications that are transforming the automotive sector. We will highlight examples from other fields and give resources on how to start your journey with AI.

10:00-10:30 am EST

University of South Carolina

The University of South Carolina will be offering a brand new degree- Cyber Intelligence- beginning this Fall. The degree program will focus on the human side of cyber. Jodi Salter, program manager for the program, will share details.

11:00- 11:30 am EST

Palmetto Tech Bridges

Get a quick look into a day in the life of a Naval Technologist! Learn more about the type of work and experiences you can expect when you pursue a degree in the STEM field.

11:30-12:00 am EST

The Citadel

Join this session to learn more about the importance of cybersecurity from the Citadel DoD Cyber Institute.

1:00- 1:30 pm EST

SC Codes

Starting your tech journey can be difficult, but SC Codes makes it easy and risk-free! Join the SC Codes team as we walk you through the resources we have to offer, discuss career pathways, and answer your questions about learning to code.
