About Tallo's \$10,000 Scholarship

The last year has been difficult for all of us. At Tallo, it's our hope that everyone has the chance to pursue their dreams, and for many students, that involves earning a college degree.

With Tallo's \$10,000 Scholarship, we want to help high school seniors who are planning to pursue higher education in Fall 2021, but may need help making ends meet.

This is a need-based scholarship, and special consideration will be given to students whose families have experienced financial loss during the pandemic.
