

The early bird gets the talent.

Tallo is an app where corporations discover their future workforce. **Over 2M+ students and job seekers** across the country want to connect with opportunities on Tallo right now. **Let's go.**

Your future workforce awaits.

GAIN EARLY BRAND AWARENESS

Emerging talent can't consider your company if they don't know who you are. Let's introduce you, shall we?

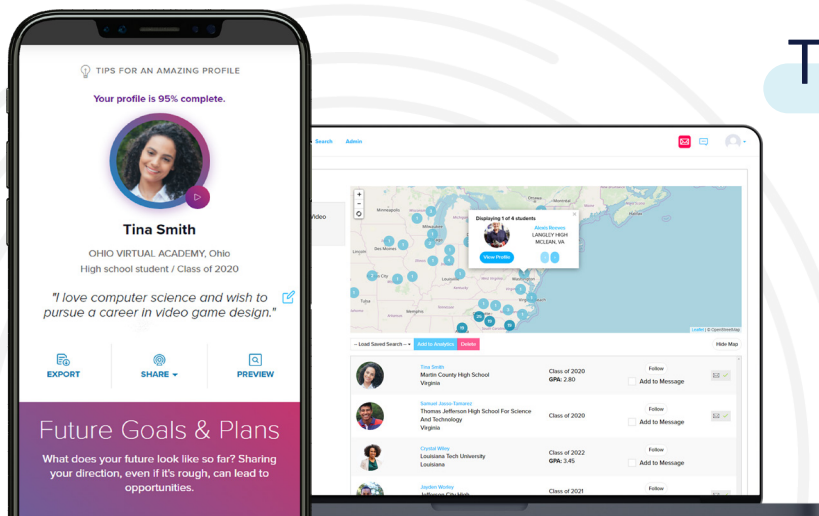

IMPROVE DIVERSITY & INCLUSION

A diverse and inclusive workforce is key to driving future growth and innovation. We can power your initiatives.

BUILD A FUTURE TALENT PIPELINE

To build a stable talent pipeline for your internships and apprenticeships, you need to recruit earlier. We do that.

These companies get it:

Don't just take it from us.

"At Walmart, we need to find, attract, and hire thousands of new workers each year. Our partnership with Tallo is a key piece of our broader future workforce strategy efforts as we seek to connect with talented young people with the skills needed to thrive in our company."

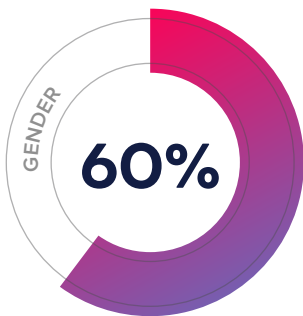

Becca Shaddox
Director of STEM Strategy

"Finding and attracting new talent from communities across the country is crucial to keeping Lockheed Martin's mission alive. Tallo helps us connect early on with talented individuals who will thrive in our company."

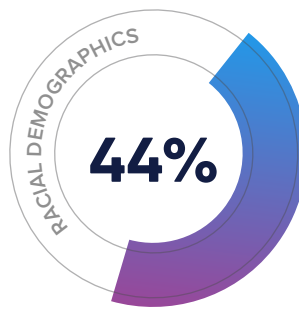

Dulcy O'Rourke
Corporate Program Manager

A look at our growing user population:

60% Female 40% Male
